Dear Veteran,

I want to thank you for your service to our country. You provided us safety and protection. God loves you so much and he is with you every day of your life.

I am praying that God will bless you with healing. Also this verse really touched me it is found in Philippians 4:13 it says, I can do everything through

Jesus who gives me strength. I hope you like it and it is true God loved us so much he gave Jesus to die in place of us so all we have to do is believe in him and you can have eternal life. My school
